Use of Cookies

This website may use technical cookies (small information files that the server sends to the computer of the person accessing the page) to carry out certain functions that are considered essential for the proper functioning and visualization of the site. The cookies used have, in any case, a temporary nature, with the sole purpose of making navigation more efficient, and they disappear when the user's session ends. In any case, these cookies provide personal data by themselves and will not be used to collect them.

Through the use of cookies, it is also possible that the server where the web is located recognizes the browser used by the user in order to make browsing easier, for example, allowing access by users who have previously registered to the areas, services, promotions or contests reserved exclusively for them without having to register for each visit.

They can also be used to measure the audience, traffic parameters, control the progress and number of entries, etc., being in these cases technically dispensable cookies but beneficial for the user. This website will not install dispensable cookies without the prior consent of the user.

The user has the possibility to configure his browser to be alerted of the reception of cookies and to prevent its installation on his computer. Please, consult the instructions of your browser to expand this information.

Link Policy

From the website, it is possible that it is redirected to content from third-party websites. Since the RESPONSIBLE can not always control the contents introduced by third parties in their respective websites, does not assume any type of responsibility with respect to said contents. In any case, proceed to the immediate withdrawal of any content that may contravene national or international legislation, morality or public order, proceeding to the immediate withdrawal of redirection to the website, bringing to the attention of the competent authorities the content in question.

The RESPONSIBLE is not responsible for the information and content stored, by way of example but not limited to forums, chats, blog generators, comments, social networks or any other means that allows third parties to publish content independently on the website of the RESPONSIBLE. However, it is made available to all users, authorities and security forces, collaborating actively in the withdrawal or, where appropriate, blocking of all content that may affect or contravene national or international legislation, the rights of third parties or morality and public order. In the event that the user considers that there is any content on the website that could be susceptible to this classification, please notify the website administrator immediately.

This website has been reviewed and tested to work properly. In principle, the correct operation can be guaranteed 365 days a year, 24 hours a day. However, the RESPONSIBLE does not rule out the possibility of certain programming errors, or that causes of force majeure, natural catastrophes, strikes or similar circumstances that make it impossible to access the website.

IP addresses

The website's servers can automatically detect the IP address and domain name used by the user. An IP address is a number automatically assigned to a computer when it connects to the Internet. All this information is registered in a server activity file duly registered that allows the subsequent processing of the data in order to obtain only statistical measurements that allow knowing the number of page impressions, the number of visits made to the web servers, the order of visits, the access point, etc.
